SCHOOLS & EDUCATION PROGRAMME 2019

At Bromley Environmental Education Centre at High Elms (BEECHE) we are committed to our Environmental Education Core Values:

1. Responsibility & Ownership
2. Fun, Creativity & SEAL (Social & Emotional Aspects of Learning)
3. Passion
4. Scientific Inquiry

We offer a wide range of programmes and single or double sessions, all of which are designed to promote learning outcomes within the National Curriculum.

We offer education programmes and workshops for schools, groups and adults delivered at both High Elms Country Park and Brook Lane Community Garden.

New! Schools Sessions at Brook Lane Community Garden

In 2019 we will be offering all of our EYFS, Key Stage 1 and 2 sessions for delivery at both BEECHE and our award winning wildlife garden at Brook Lane Community Garden.

For more details please call the BEECHE team on 01689 860 571.

Forest School

This is a six week or more programme with a range of forest school activities.

Key Stage 5, Post 16 & Higher Education

We can deliver a range of bespoke sessions suitable for students studying biology, ecology, conservation, geography which can be linked up to provide a multi-day package of fieldwork covering the following:

- Terrestrial Ecology
- Conservation Management
- Pollution
- Individual Investigations
- Work Experience Placements
- Forest School

Alternative Provision

We can offer a broad range of sessions and programmes designed to improve wellbeing and support the PSHE curriculum.

Outreach

We can come to you! Please contact us to discuss your requirements if you are interested in the delivery of environmental education outreach based around our sessions or Forest School.

Schools Wildlife Garden Workshops

We run workshops to show how you can attract wildlife into your school grounds and run outdoor learning sessions.
