## Forest School

This is a six week programme with a range of forest school activities adapted for any age group.

### Key Stage 5, Post 16 & Higher Ed

We can deliver a range of bespoke sessions suitable for students studying biology, ecology, conservation and geography which can be linked up to provide a multi-day package of fieldwork covering:

- terrestrial ecology
- conservation management
- pollution
- individual investigations
- work experience placements

### Pupil Referral Units & Children's centres

We can offer a broad range of sessions designed to improve wellbeing and support the PSHE curriculum
