About Us

Bromley Environmental Education (BEE) operates from our base in High Elms Country Park (BEECHE). We deliver our sessions at High Elms and our award winning community garden at Brook Lane. We also offer outreach programmes if you would like us to come to you. The team are committed to our Environmental Education Core Values: Responsibility and Ownership Fun, Creativity & SEAL (Social & Emotionally Aspects of Learning) Passion Scientific Inquiry.

Our Services

All our sessions are linked to the curriculum and can be adapted to meet the specific educational needs of your class. Most topics can be taught as single or double sessions.
